Bring your Prep Students to Nudgee Beach to explore the living world.

We will spend time exploring the beach and finding animals that live there.

*Dare to be Aware!*

- Find a yabby.
- Find a moon snail.
- Get your feet wet.

Back at the Centre, it’s time to meet Mr Mud Crab.

- Be a Stingray.
- Make a jellyfish.
- What lives in that shell?

Parents are needed for the day and it would be great to have them involved!

*This program can suit 2 classes at a time.*
