

# Our Marine Living Adventure

Whole day Excursion to Nudgee Beach - **Year 1**

We explore the Mangrove habitat to learn what plants need to survive, but how do Mangrove plants survive?

Visit the beach, make a creature and label its features.

**Is Nudgee Beach a healthy environment?**

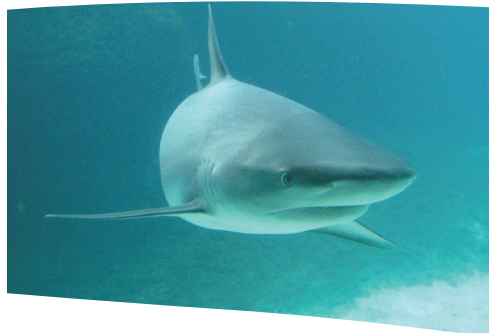

Back at the centre students discover what happens when humans don't take care of their environment.

**What will happen to Moreton Bay?**

***Dare to be Aware!***

Parents are needed for the day and it would be great to have them involved!

*This program can cater for 2 class groups.*

**Phone: 07 3267 7811 Fax: 07 3267 8144**  
Nudgee Beach Environmental Education Centre  
1588 Nudgee Road, Nudgee Beach 4014
